MOOSE INTERNATIONAL AND THE SAFE SURFIN' FOUNDATION

Through the support of the Moose International family, we have raised public awareness for the need of

Internet safety education, and have promoted the availability of these educational materials to schools, libraries, and law enforcement.

Moose members have and continue to sponsor educational programs at their Lodges and have reached out to other civic groups throughout their communities.

The Moose/SSF partnership continues to present numerous opportunities for positive publicity for the fraternity with our nationwide involvement as we strive to protect chil-

dren and sharing this important information to as many communities as possible.

SSF appreciates the men and women of the Moose as they continue their commitment to help protect the innocent and effect legislation in their political jurisdictions for Internet safety to be a mandatory part of every household and every school's curriculum.

Together we will make a difference!

GOVERNOR'S MESSAGE

Gentlepeople:

Happy St Patrick's Day

Please check the [calendar](#) for all scheduled activities for the month

We will be offering a new meal on the final Friday of each month beginning this month
— [A pizza night](#)

Again, thanks to all our volunteers and the wonderful job they do.

Thanks to our Stewards for the excellent job they all do

Again, it is that time of year and we have started taking nominations for 2017-2018 LOOM Board members. Nominating Committee meetings and interviews will be held the evenings of [March 2nd](#) @ 6pm. [March 16th](#) @ 6pm and [March 21st](#) @ 7pm. Confirmation of nominees will be at the floor meeting on Thursday [March 23rd](#) @ 7:00pm.

It doesn't matter if your 21 or 101 please strongly consider putting your name in the hat for ALL board positions. I would like to think we can make accommodation for any one's work schedule so please don't let that be a deterrent.

I encourage your next attendance at the general membership floor meeting as we have several topics that need to be discussed and voted on. Remember if only one LOOM member attends a floor meeting then that person is effectively speaking for the entire LOOM membership.

We are desperately trying to determine the best course of action to replace our now defunct boiler that finally decided to give it up a couple of weeks ago,. Unfortunately, that means there may be some cold days in the lodge until we get through the rest of winter so bring your sweater.

It has become necessary to adjust and modify the drink

chip system beginning the first of this month. For the details see the Social Quarter Manager or the Administrator. I look forward to your comments.

We again have the [NASCAR board](#) up. If it does not fill up, we will make necessary adjustments to accommodate those folks that would like to participate. If you can at all participate PLEASE do so.

As usual we will have several fund raisers occurring through the month. Your support is always welcomed and appreciated.

Thank you, members, for your support, your inputs/suggestions, and your membership. A lodge for the members, of the members, and by the members.

To be continued.....

Respectfully,
CJ McCutchen
Governor

SR REGENT’S MESSAGE

Dear Coworkers,

I would like to send a special thank you to all that helped on the nominating

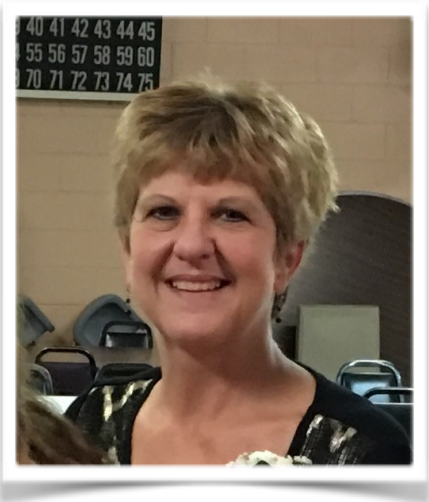

committee meetings. Without all of your help and time we wouldn't have been able to have elections. Elections of officers will be March 16th at 6pm.

Our annual Chili Cook-off Contest will be March 19th, sign up sheet will be behind the bar.

At Mid -Winter Convention there will be four or five of us from Chapter #1133 receiving our Academy of Friend-ship. Please congratulate them for a job well done.

We will be trying something different in the kitchen for March...a Pizza Night.

If anyone is interested in being on a committee for next year let one of the officers know. Fund raising is a big

part of our income for Mooseheart & Moosehaven.
